General Public Notice

SUBJECT: Public Transportation Notice of Rate Change

PACS Transportation is in the process of changing the rates charged for Public Transportation Services. PACS is taking this opportunity to notify you of these changes which become **effective January 1, 2019.**

To request public transportation service, call the PACS Transportation office serving the county you are located in.

Christian and Trigg:	(270) 886-7999
Crittenden, Livingston and Lyon:	(270) 498-9332
Hopkins and Caldwell:	(270) 821-3232 or (270) 821-9173
Muhlenberg, Todd, Logan and Simpson:	(270) 931-5119 or (270) 931-5118

For transportation within the county, PACS Transportation will need a minimum of 24 business hours' notice. Out of county and out of state transportation will need more notice. There is a one-way distance limit of 250 miles.

The revised rates will be \$1.25 per mile per person within the county of pick up. Currently, this includes the adjacent county as well. One minor, 17 years of age or younger, is allowed with no charge if seating is requested with the original reservation. There is a minimum charge of 3 miles or \$3.75 on each one-way trip. Clients traveling on longer trips (beyond origination county and the adjacent county) will be charged \$1.50 per mile per person. Payment is required for transportation before entering a vehicle. There is not a post monthly billing service for public transportation. Exact change is required; drivers are not authorized to make change. The cost of the service will be calculated at the time you call to schedule your transportation. You will be given a confirmation number and the amount you will need to pay the driver for each part of your trip. You can now pay in advance of your trip with a credit or debit card.

Muhlenberg County JOBS client's fares will be increased from the current \$2 to \$4 daily.

InterCity Transit to Nashville, Hopkinsville Transit, and GO Madisonville Transit will not be affected by these changes.

Please contact your local offices for more detailed information.

I can be reached at 1-270-886-6641 or you may reach the Assistant Transportation Director, Jewel Hankins at 1-800-467-4601 if there are any other questions.

Thank You,

Ken A. Johnston
