

PENNYRILE ALLIED COMMUNITY SERVICES, INC.
2020 – 2021 Annual Report

EXECUTIVE DIRECTOR REPORT

On behalf of The Pennyrile Allied Community Services (PACS) staff and Board of Directors, we are honored to share the 2021 Annual Report with you.

The past year has challenged us to come together like never before. No one thought last July that we would have to be dealing with COVID-19 and its impact and continuing restrictions and all the challenges this would bring for the entire fiscal year. And yet, as we enter FY2022 it continues as far as we can forecast.

Thanks to the dedication of our staff and their tireless efforts PACS provided essential services to our communities and clients at an unprecedented level as PACS provided more than \$21,449, 225 in services. These services not only strengthen our communities but helped our neighbors, friends, and families at a time when the need was so great.

Throughout the year our employees came to work every day - day in and day out - to meet our communities' needs. This was while many were not allowed to work or work remotely. The PACS team was literally on the front lines every day delivering our services that can only be provided by meeting clients where they are. I do not know what our team could have done differently or done more of than what they did for FY2021. I am so proud to lead a team such as we have at PACS.

For all the services that PACS brings to our region, it is difficult not to focus on the hardship and loss that the events of 2020 have brought to our doorstep. As we share this year's Annual Report, COVID-19 continues to harm our communities. While we pause to celebrate these milestones, we also want to remember our employees, clients, and community members who served and worked with us that we lost during FY2021.

As a Community Action Agency, we help to change people's lives and make our communities a better place to live. The past year has reminded us of one important thing. Even though we may face an uncertain future, there's one constant that remains - the communities we serve are better when we work together and as always PACS will continue *"Empowering individuals and families to become self-reliant through assistance, education, and accountability."*

Greetings,

A year has passed, and it will go down as one not only to remember but one we hope we never relive; but it has been a grand year for service. Our Pennyrite Area Community Service, Inc. has always been about service to our nine counties and our citizens, but the grand effort this year to service with the challenges that were before us has shown true grit. PACS has served the citizens of our area more than we ever have with food, transportation, and assistance even with the restriction of COVID.

As Chairman, I want to thank all the employees of our organization for the extra effort, your ability to meet the challenges that were before you in serving our area and our citizens. Thanks to the Leadership for adapting and changing to meet the situation that was before us. Thanks to the members of the PACs board who stayed with the call-in meetings. Thanks to the County and City leadership that worked with our Senior Centers to keep our services going to the citizens

We can easily focus on all the bad things from this past year, but our annual report will identify all the good we do daily and all the extra that was accomplished this past year. Even with the challenges, we have continued to improve our organization for a better tomorrow. Service is our calling as an organization and I believe it was a grand year of service.

An annual report is a list of accomplishments, but it is also a call to continue to do better, I call on you all to help make the current year a better year for all the citizens we serve.

Sincerely,

Arthur Green

Preservation Services

AGING PROGRAMS

Rachel Newman, **Director**

There are 4 individual programs that make up the PACS Aging Programs: Title III, Homecare, SCSEP and SHIP. Each program is very dependent on the other for a successful operation in our counties. The Senior Citizens Centers are funded through the Older Americans Act, Title III, Home Care, and USDA.

ACCOMPLISHMENTS

TITLE III

July 1, 2020-June 30, 2021

Transportation	6,899 trips
Outreach	2,078 contacts
Information and Assistance	8,539 contacts
Homemaker	5,073.5 hours of housework
Congregate Meals	55,694 meals served in the center
Home Delivered Meals	177,600 home delivered meals

ACCOMPLISHMENTS

Home Care

July 1, 2020-June 30, 2021

Home Delivered Meals	43,980 home delivered meals
Respite	582 hours of personal care
Homemaker	4,792.5 hours of housework

The Title III program is contracted through the Pennyrile Area Development District with funding from the Older American's Act. PACS serves over 6,000 unduplicated clients through the Title III services that include all of the above listed categories. All services are at no charge to individuals 60 years and older. Donations are encouraged and these donations are budgeted back into the county the donation was received. Donations are very important as they are used to expand services in that county.

Home Care is state funded through the Department of Aging and Independent Living and the Pennyrile Area Development District. This program provides in-home services to seniors who have functional impairments that may prevent them from completing the activities or instrumental activities of daily living. Home Care clients must be assessed by a case manager to be declared eligible for this program. There is no charge for these programs, but donations are encouraged to help expand services.

COMMUNITY SERVICES

Krista Groves, Director

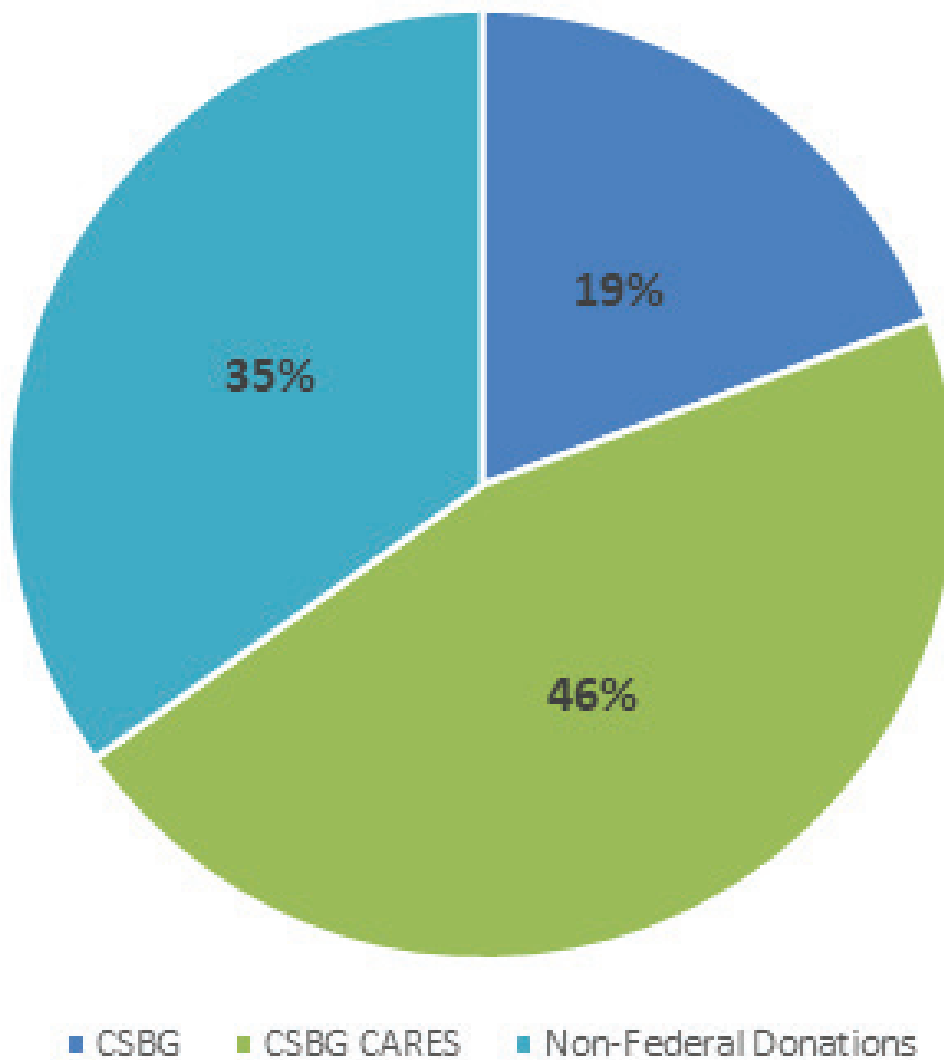

COMMUNITY SERVICES BLOCK GRANT (CSBG)

Pennyrile Allied Community Services, Inc. (PACS) administers the Community Services Block Grant Programs (CSBG) as well as CSBG CARES through a contract with the Cabinet for Health and Family Services, Department for Community Based Services. CSBG is designed to address the needs of the low-income residents and to assist them with working towards becoming more self-reliant.

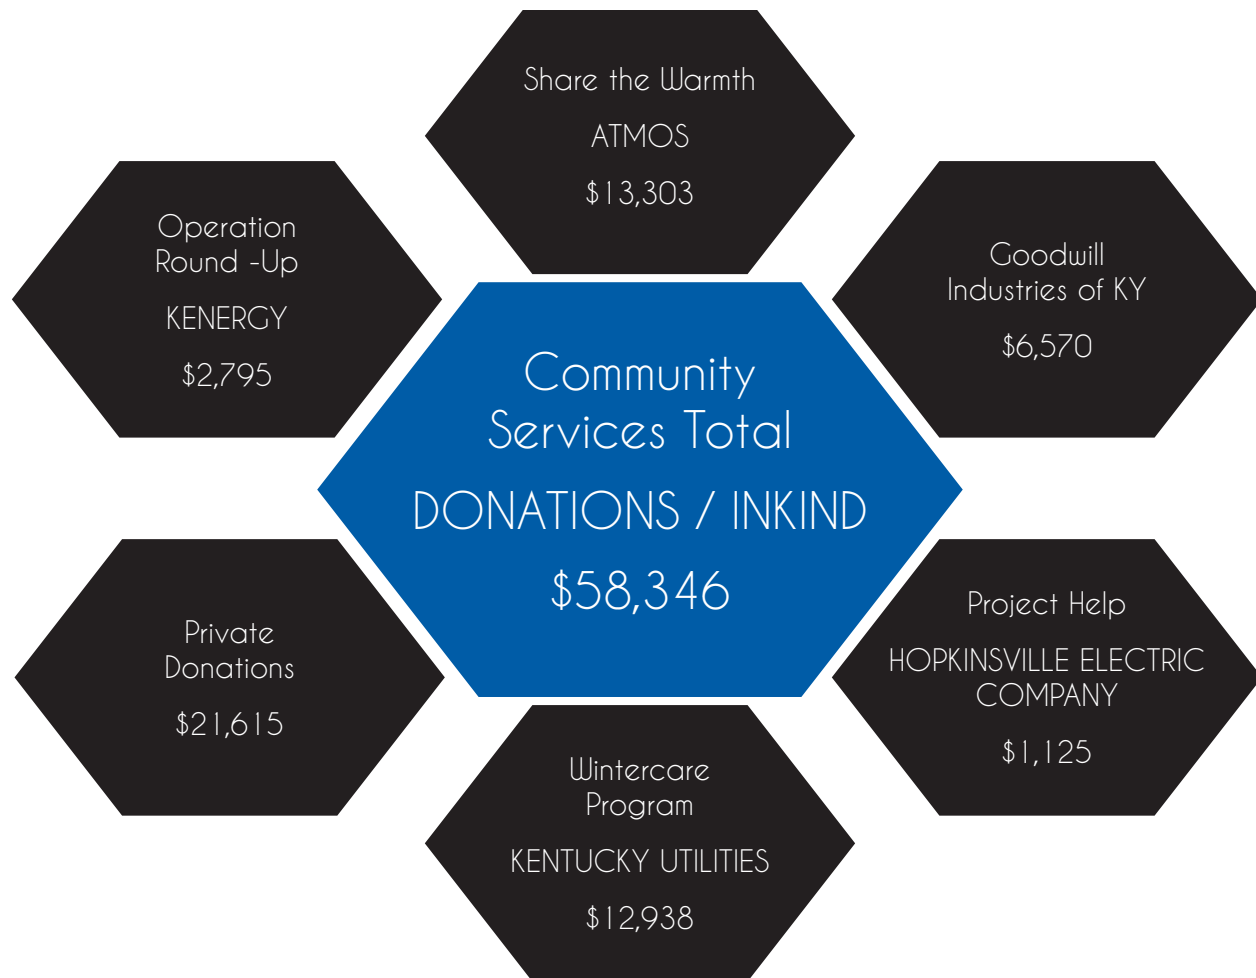

CSBG CARES funding was made available through the national CARES Act relief package. PACS has been able to assist individuals and households who have been financially impacted by COVID-19.

The Community Service Coordinators housed in each of the nine counties provide emergency assistance through CSBG and CSBG CARES funding. PACS Coordinators also provide case management to individuals and referrals to community partners to assist clients with employment, financial management, education concerns, cooking/shopping on a budget and maintaining a home. The focus of CSBG and CSBG CARES is to provide services as part of case management, which in turn leads to self-reliance.

Through CSBG and CSBG CARES funding, case management, home visits, telephone calls, referrals and community involvement PACS Community Services has assisted over 1,000 households with over \$300,000 in one of the following areas of need: Employment, Education, Housing, Income and Asset Building, Health and Civic Engagement.

Community Services Partnerships

LOW-INCOME HOME ENERGY ASSISTANCE PROGRAM (LIHEAP)

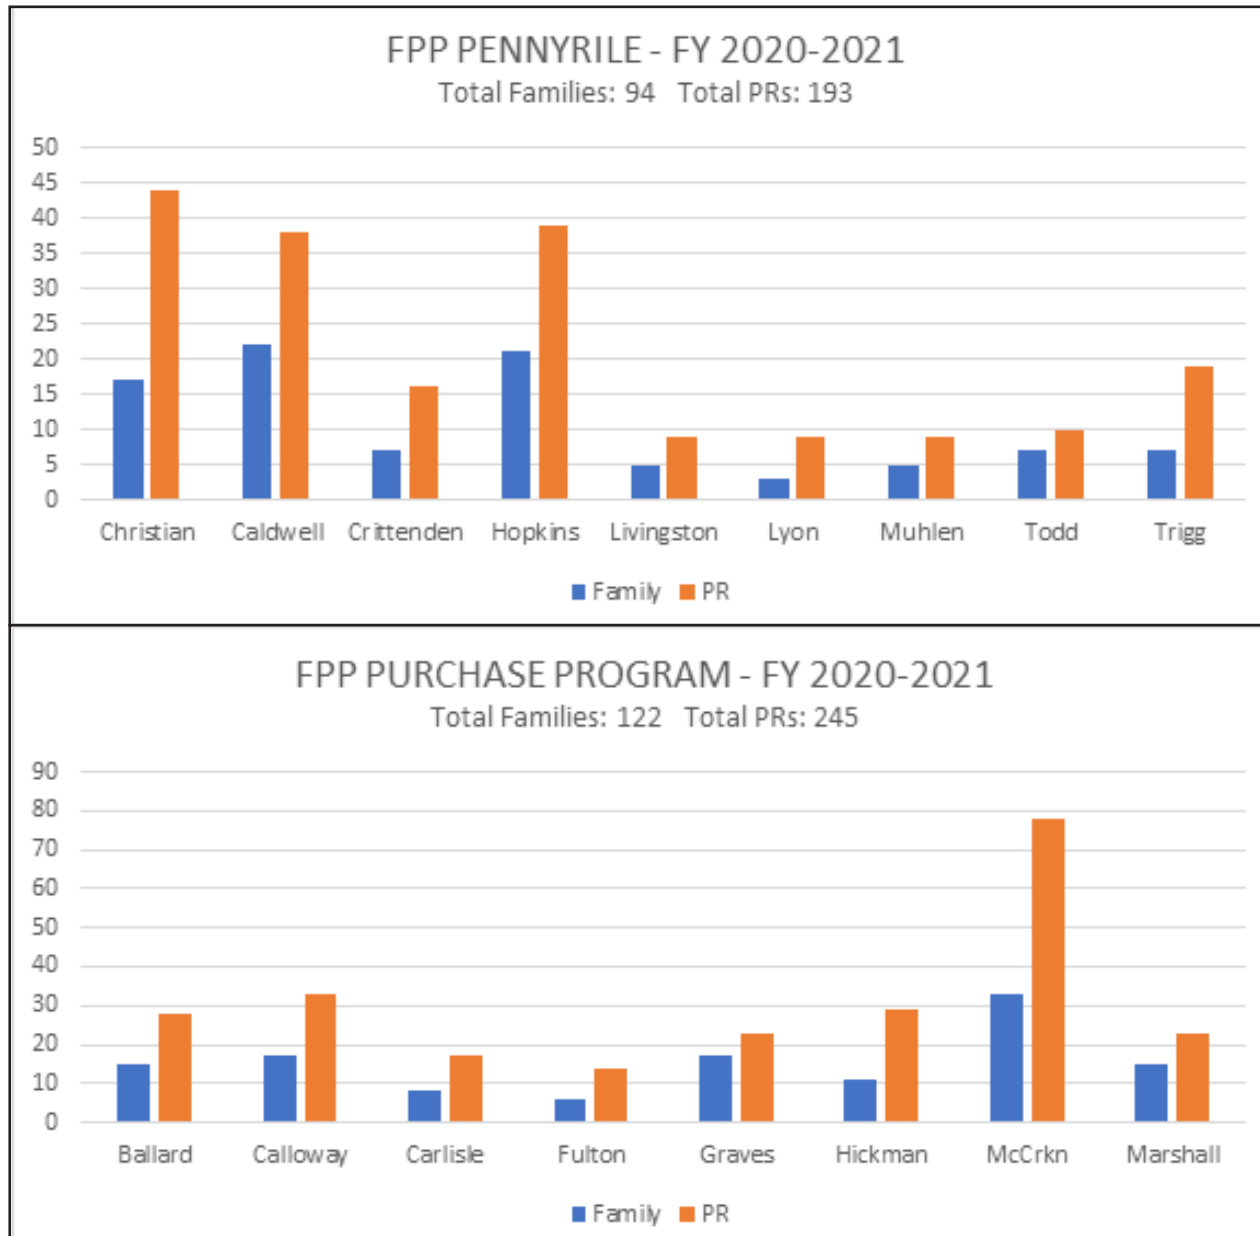

The Low-Income Home Energy Assistance Program (LIHEAP) helps keep families safe and healthy through initiatives that assist families with energy costs. Over 15,959 households in the Pennyriple received \$3,781,923 in heating assistance benefits.

- LIHEAP Summer Subsidy component operated from July 1, 2020 to October 31, 2020 with 3,650 Households receiving \$628,577 in energy assistance benefits.
- LIHEAP Summer Crisis component operated from July 1, 2020 to October 31, 2020 with 2,743 Households receiving \$888,190 in energy assistance benefits.
- LIHEAP Subsidy component operated from November 2, 2020 to December 11, 2020 with 3,458 Households receiving \$593,041 in energy assistance benefits.
- LIHEAP Crisis component started January 4, 2021 and ended April 15, 2021 with 3,821 households receiving \$1,275,665 in energy assistance benefits.
- LIHEAP Spring Subsidy component started on May 3, 2021 and ended on June 30, 2021 with 2,287 households receiving \$396,450.

In FY 2020-2021 PACS LIHEAP assisted 6,759 more households with \$1,793,509 more benefits than in FY 2019-2020.

FAMILY PRESERVATION

Christine Bustamante, *Director*

Family Preservation Programs work with families and children in the Lakes region to prevent the unnecessary removal of children from their homes; and to decrease the likelihood of abuse and/or neglect. This is accomplished through skills training, community resource/service identification, concrete assistance, and effecting a cognitive change within the family structure. The overall goal is to help families remain intact while ensuring the safety and well-being of the children.

*PR - Placement Risk: A placement risk is the child identified as being at risk of entering out of home care; or experiencing abuse and/or neglect. Example: Total PRs of 71 means the program has worked directly with 71 children to keep them safe and in their homes.

Please note: This report reflects all families receiving any service from FPP. This includes families open for assessment only and family interventions deemed as incomplete for any reason.

kynect

Josh Wilhelm, *Director*

The Health Benefit Assistants Program (HBA) is a state funded service that was created to help individuals apply for enrollment into a health insurance plan through the Federal Facilitated Marketplace (Healthcare.gov) as well as assist individuals in enrolling into a state funded plan (Medicaid) through Kentucky's newly established benefit portal, Benefind. As a part of Community Action of Kentucky (CAK), Pennyrite Allied Community Services focus services towards low income households, however our services are available for all uninsured.

Employees for the HBA program are known as an "In-Person Assister" or "Assisters." Each assister has completed training and have been certified by the state of Kentucky and by the Centers for Medicaid and Medicare (CMS) to help individuals in completing applications for enrollment into various insurance plans.

The Kynect Program is funded through the Cabinet of Health and Family Services and operated by Community Action of Kentucky (CAK). The program is designed to help Kentuckians find and apply for health insurance through the federal facilitated marketplace "HealthCare.gov," or apply for state provided health insurance known as Medicaid through "Kynect.ky.gov." Employees for the kynect program are known as an "In-Person As-

sister" or "Kynectors." Each kynector has been certified by the state of Kentucky and by the Centers for Medicaid and Medicare (CMS) to help individuals in completing applications for enrollment into various insurance plans.

SERVICES OFFERED/TYPES OF ENROLLMENT

Medicaid- Medicaid is based solely on income and is derived from the Federal Poverty Income Level distributed each year by the federal government. Traditionally, individuals below or at the federal poverty level were eligible for Medicaid benefits, however Kentucky has elected to expand its eligibility with new provision from the Affordable Care Act (ACA). Medicaid now encompasses 133% of the federal poverty income level. Consumers of Medicaid are enrolled through Benefind, (Benefind.ky.gov) the states newly created benefit portal.

Family Size	Household Income
1	\$16,753
2	\$22,715
3	\$28,676
4	\$34,638

HealthCare.gov

Quality Health Plan (QHP)-Qualified Health Plans are health plans that are certified by CMS that provide the essential benefits in compliance with the Affordable Care Act and are subsidized by an Advanced Premium Tax Credit (APTC) to lower the cost of the enrollee's monthly premium. Open enrollment for the purchase of private insurance through Health-Care.Gov ran from November 1st, 2020 - December 15th, 2020. However, individuals that meet the criteria for Medicaid, or have a qualifying event

can still apply throughout the entire year. Qualifying events include change of income, change of household size, or loss of coverage. Please contact our central office 270.886.6341 if you have any questions regarding eligibility.

APPLICATION ASSISTER PROGRAM

Annual Comparisons

FY 2019

- 214 Applications Completed for Enrollment into a Health Insurance Plan
- 156 Outreach Events Held at local Community Partners

FY 2020

- July 2020 -March 2020: 199 Applications Completed for Enrollment into a Health Insurance Plan
- 104 Outreach Events Held at Local Community Partners
- April 2020 - June 2020 FYE: 2,170 Applications Completed for Medicaid (Presumptive Eligibility)
- Outreach Events halted in March due to COVID-19 Pandemic.

FY 2021

- 6,787 Applications Completed for Health Insurance Coverage
- Outreach Events held via social media or other meeting software.

RETIRED & SENIOR VOLUNTEER PROGRAM

Josh Wilhelm, *Director*

The Retired and Senior Volunteer Program (RSVP) recruits and places volunteers that are fifty-five years of age and older in public agencies, secular or faith-based private/public non-profit organizations, or proprietary health care organizations. RSVP offers flexibility and choice as it

matches the personal interest and skills of older Americans with the community needs throughout Christian, Hopkins, Muhlenberg, and Trigg Counties.

RSVP is federally funded by The Corporation for National and Community Services (CNCS) and matched with local money from Fiscal Courts in Christian County, Hopkins County, Muhlenberg County, Trigg County, United Way of the Pennyrile, and Fundraising.

RSVP's fiscal program year runs April through March. RSVP has a total of 246 volunteers who donated 41,669 service hours at 50 stations doing 59 different jobs throughout our four counties. The Cabinet of Health and Family Services estimated the value of a volunteer's time in Kentucky at \$21.17 per hour. Multiply that number by the number of hours served was a savings of over \$880,000 to the non-profit, government agencies, and proprietary health care organizations helped by RSVP Volunteers for 2020-2021.

April 1, 2020 - March 31, 2021 Volunteers Volunteer Hours New Volunteers

Christian County	42	5,830	1
Hopkins County	81	17,644	10
Muhlenberg County	48	7,088	6
Trigg County	75	1,107	9
Total	246	41,669	26

TAX COUNSELING FOR THE ELDERLY (TCE)

<https://www.facebook.com/pacsrsvp1/> to find out more!

The mission of the TCE preparation program is to assist elderly and low-income taxpayers in satisfying their tax responsibilities by providing free tax return preparation. To establish the greatest degree of public trust the IRS-certified volunteers are required to maintain the highest standards of ethical conduct and provide quality service. PACS had 19 TCE Volunteers that completed

an amazing 2,535 Federal and State tax returns with over \$1.8 million in Federal dollars refunded to 1,240 elderly taxpayers. The 2020 tax season was a success however faced many challenges due to COVID-19 and our volunteers not being face to face with our clients. The volunteers dedicated 2,178 hours of service to PACS TCE before all tax sites were shut down.

2020 TAX SEASON RESULTS

	FEDERAL RETURNS ACCEPTED BY IRS	STATE RETURNS ACCEPTED BY IRS	FEDERAL DOLLARS REFUNDED	OVER 60	HOURS SERVED	TCE VOLUNTEERS

PACS-RSVP Is Proud To Share The Following Accomplishments From The 2020 – 2021 Fiscal Year:

- 77 unduplicated volunteers helped 35,277 unduplicated individuals receive food security from local food banks, holding food drives, collecting, and distributing items, serving food at the salvation army, and helping with special COVID-19 food distribution giveaways through Feeding America.
- 12 unduplicated volunteers distributed information on health insurance, access, and benefits to 1,800 individuals.
- 15 unduplicated volunteers kept hospital gift shops, information desk, etc. opened by volunteering more than 1,394 hours.
- 17 unduplicated volunteers kept museums, art centers, libraries in the area open to keep their county's history alive by volunteering with local historical and genealogical societies in the area and more by volunteering 3,317 hours.
- 21 PACS-RSVP volunteers participated in training and tax preparation for Tax Counseling for the Elderly (TCE) and served 2,249 hours. A program in which RSVP volunteers prepared and counseled individuals in the preparation of their tax returns. As a result, a total of 1,392 tax returns completed and accepted by the IRS. A total of \$1,819,734.00 million was refunded to low income and elderly individuals in the Pennyriile Area.
- 4 unduplicated volunteers provided companionship to over 20 seniors in assisted living facilities and nursing homes serving 20 hours.
- PACS RSVP participated in MLK Day of Service in January 2021 with wonderful service projects and participation from the communities.
- PACS-RSVP partnered with Tax Counseling for the Elderly Program to assist elderly and low-income families to free tax assistance.
- PACS-RSVP partnered with local food banks in all Christian, Hopkins, Muhlenberg, and Trigg Counties to assist with food drives and local distributions.
- PACS-RSVP partnered with The Light House Family Resource Center, so no child goes without the appropriate school supplies to learn, especially with kids learning virtually.
- PACS-RSVP partnered with local State Parks for help cleaning up trails and keeping the park clean.
- PACS-RSVP partnered with the local Red Cross providing blankets to disaster relief recipients.
- PACS-RSVP partnered with local senior citizens center to help support the increase of clients receiving meals on wheels due to COVID-19.

What are PACS-RSVP Volunteers doing in the Pennyriile area? Visit our Facebook page at <https://www.facebook.com/pacsrsvp1/> to find out more!

TRANSPORTATION

Vickie Pennington, *Director*

The Transportation Program's primary purpose is to provide safe, reliable, and affordable transportation to the Pennyrlie area. PACS serves Christian, Crittenden, Hopkins, Livingston, Logan, Lyon, Muhlenberg, Todd, & Trigg counties in the Pennyrlie area. We at PACS Transportation are proud to be providing the residents of the Pennyrlie Area with a service to meet their transit needs.

REPORT OF OPERATIONS FY21

Days of Service	307
Total Trips	137,393
Total Miles	1,535,519
Public Transportation Trips	65,550
Public Transportation Miles	429,060
PACS Medicaid Trips	42,301
PACS Medicaid Miles	510,700
Sub-Contractor Trips	29,542
Sub-Contractor Miles	592,159

**Veteran & Senior Shuttle trips included in the Public Transportation figures

Transportation has been difficult this year, unlike everything else that has been able to close or work from home this has not been an option for us. We are considered part of the essential workers and have continued to transport people to their essential life sustaining appointments during all this pandemic.

Transportation is coordinated by PACS Transportation Administrative Staff, County Managers, Dispatchers, and Drivers. The funding for the various Transportation services comes through the FTA, KY Office of Transportation and Delivery, contracts with agencies, cities and public paid fares.

City Transit Systems- PACS provides a city bus route for the city of Hopkinsville (3 routes) and the city of Madisonville (2 routes). They each provide services to different areas of these counties to assist with transit needs and give people the independence to go when they want without having to rely on someone else to take them.

PACS was awarded 5311 CARES Capital for 1.5 million and will be renovating the Transportation building on 1200 S. Clay St. hopefully to begin in this fiscal year. PACS also will be getting camera systems installed into our vehicles over the next year which will assist with safety and accountability for all.

WEATHERIZATION

Susan Marsh, Director

The scope of the Weatherization program continues to be one of assisting in the achievement of a more helpful dwelling environment and maximum energy conservation for low-income clients.

The priority measure PACS performs on a house or mobile home is checking the energy systems of the dwelling. This includes furnaces, space heaters, fireplaces, water heater jackets, duct wraps and duct repairs if needed, flue repairs, safety materials and safety repairs. A National Energy Audit is performed on each house and a Manufactured Energy Audit is performed on each mobile home PACS serves. These audits show the areas the Weatherization program should address while performing Weatherization Services.

As the second priority, the major infiltration work is completed. This includes repairing and/ or replacing missing doors, panels, panes; missing windows and/or window-panes; repairs to supply and return ducts; and major envelope holes. The general heat waste priority is then repaired, blocking is installed, attic bypasses are addressed and sealed, roof repair, which is very limited by regulations, is completed. If necessary, the walls of the dwelling are then repaired and insulated. Floors are repaired, ground cover is installed underneath the structure, pipe wrap, and insulation is completed. With LIHEAP funds combined with DOE, the Weatherization program has completed 35 homes.

ATMOS (C.A.R.E.S.)

The Demand Side Management (DSM) partnership program with Atmos Gas Company is intended to provide current low-income Atmos Gas residential consumers assistance and advice concerning energy efficient improvements specific to their homes.

The program is offered at no cost to the participant. This program acts as a "piggy-back" program in conjunction with PACS Weatherization program to ensure the most energy saving measures are completed to conserve the greatest amount of energy. Caldwell, Christian, Crittenden, Hopkins,

Livingston, Lyon, Muhlenberg, Todd, and Trigg counties are served by CARES.

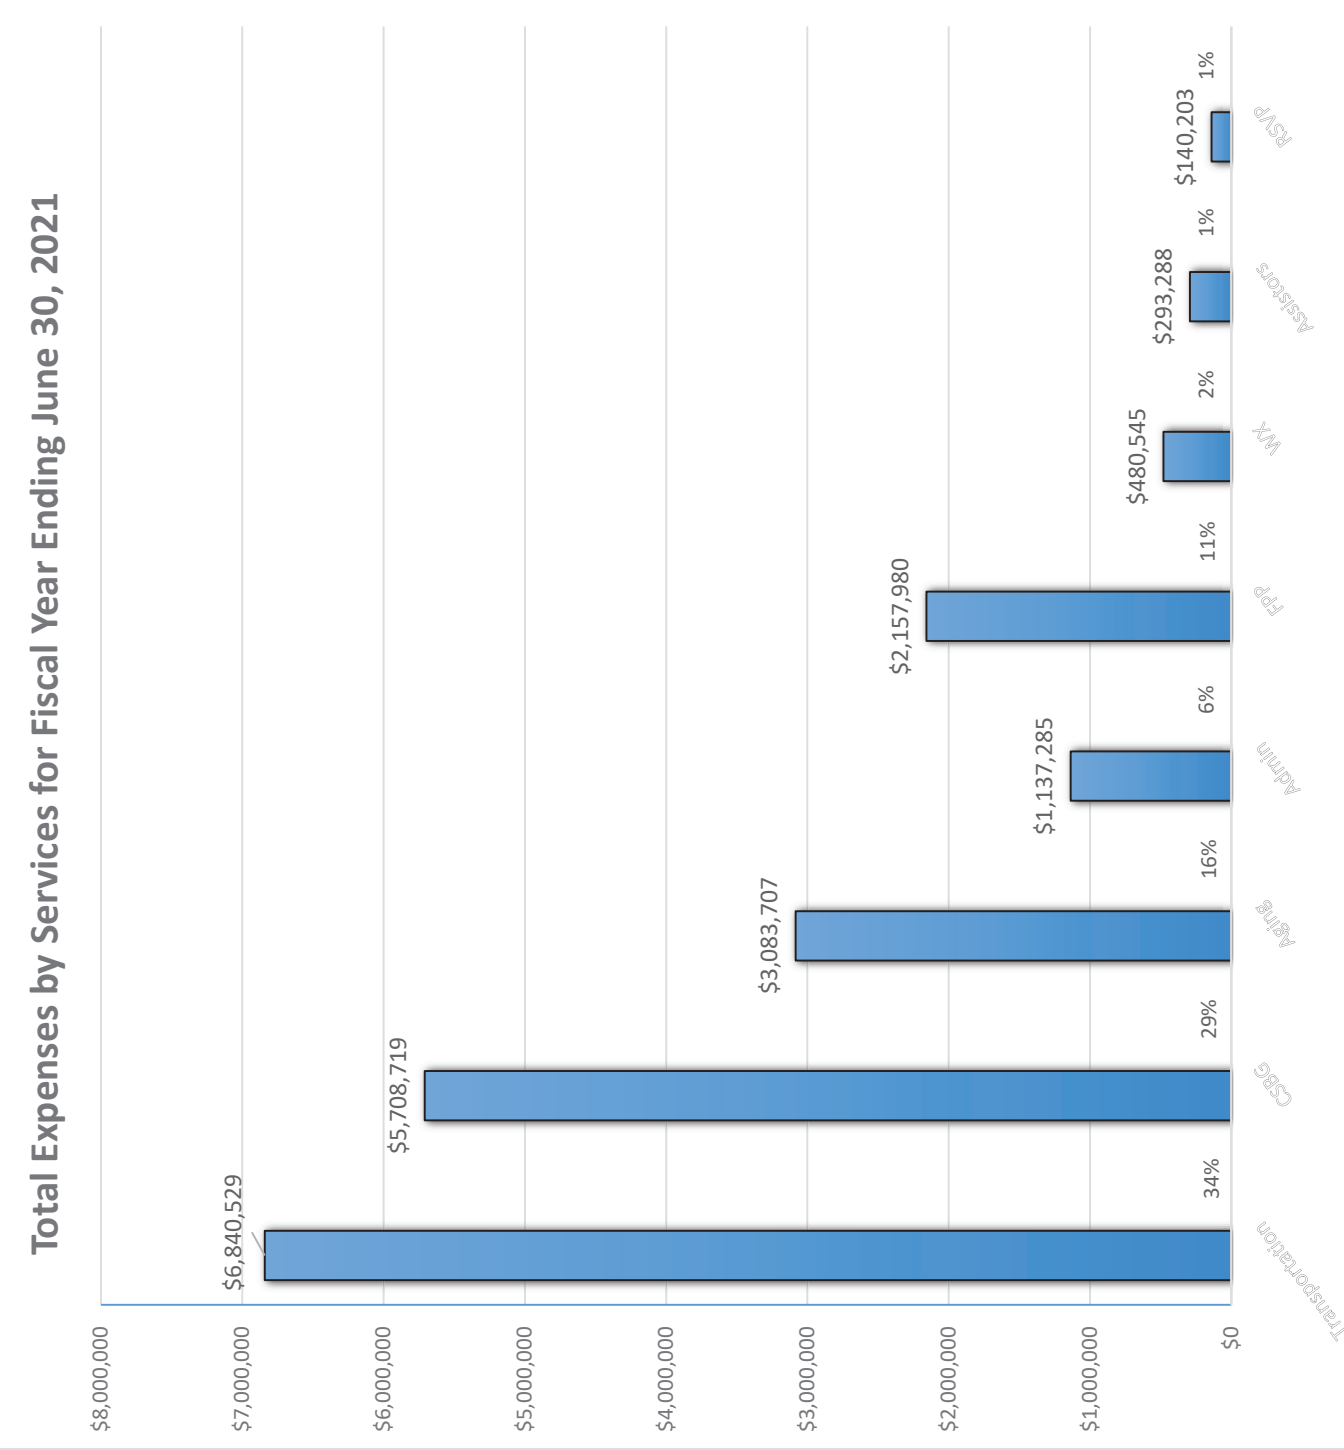

The goal of this program is to reduce the energy usage of Atmos Gas residential customers.

In order for one to receive the CARES benefits, one must be eligible for PACS Weatherization program.

The program guidelines are based on the 200% OMB Poverty Guideline. These guidelines are based on number of people in household and allowable yearly income.

Summary of Financial Activities

MAJOR SERVICE LEGEND:	
Social Support includes Family Preservation, Assister-Kynect, and Senior Volunteer Programs.	
Transportation includes Hopkinsville Transit system, Madisonville Transit system and Intercity Transit.
